**A Statue for Sylvia Pankhurst.** The Sylvia Pankhurst Memorial Committee is raising funds to erect a statue to Sylvia Pankhurst, the socialist suffragette. Unlike her mother, Emmeline, and sister Christabel who abandoned the fight for the vote when WW1 broke out, Sylvia was a pacifist who continued to campaign for votes for women and many other issues. That is why the Committee are raising funds for a statue to be placed on Clerkenwell Green, London.

**Cheques can be sent to Megan Dobney, SERTUC, Congress House, Gt Russell St., WC1B 3LS**
