Since the last meeting

For the past year we have continued to meet with the Quakers on the last Saturday of the
month with placards calling for peace.

Seven FPGers supported the 'Close the Bases' demonstration at USAF Fairford on 15th
August with about 200 others from Bristol, London and elsewhere, organised by CND and
Fairford Action. A memorable occasion with inspiring speakers. We decorated the fence
with banners and suggestions for putting the base to better use!.
